

ONLINE COURSE ON INTEGRAL MISSION

*Equipping Christian Community
for Missional Living*

WHY INTEGRAL MISSION?

This online course on Integral Mission explores the paradigm shift in understanding the essential truths of the Scripture for the Church's mission in today's context. It provides a biblical foundation and framework for a wholistic understanding of God's mission for the whole world and synthesizes theology and praxis in every area of human life. Integral mission demands a life living under the Lordship of Jesus Christ without any dichotomy between the sacred and the secular. An integral understanding of the mission of God can enable Christians to effectively engage in the society towards its transformation.
